1. I have given you the nations for a following not, for to reveal Me, the Me that is within them, in them, in every one of them; every color, origin and species. I love you.

2. I givest Me Myself to you in wholeness and purity, for you do Me, and shatter the paradigm of the important in so doing. Thank you. Amen not, just the beginning of sorrows not, but celebration upon celebration in nations of not-Me and Me. I love you.

3. See My campuses ruined not but exercising the greatest privilege of privilege, coming, being, exercising the kingdom of My/our/their/us/one in Oneship; creating, creating, creating by the word of I Am.

4. I am holy and righteous and you now preach/reach the unholy holy who come into Me with sin not, surrender, to exercise/know/mature in privilege granted to us of our one Father, of light, life, and holiness pure. I love you.

5. Campuses galore you develop now with Me at center/the center core of Me, know and coming and cataclysmic is and netting atoms of only Me, quarks and gluons of My setting, My name, My characteristics, essence, known and unknown not. I love you.

6. Continue to create and online you go, delivering My knowledge base to My minds in My Mine **who will receive/surrender to process required in** academia not, but **life excellence that embraces many disciplines.**

7. Say not to the potter, "I don't like them." They are Me.
Limit Me not, please. Thank you. No burdens.
Cast not the first stone, the second, or any. I love you.
Thank you. Amen.

8. I surrender to you, and you Me, and now music we make in heavenlies galore across timed centuries and dimensionlessness that comes into your hand at midnight, dusk, before. Smile, I do/am. I love you dearly/deeply and exercise you I do, in Me, throughout eternity. Amen. Exploration geologists of My sedimentation not, My rock, My Rock upon which I build now, on centuries of past and now future'd with all into Me known and choosing. Amen.

9. You gave Me Me. Thank you.
Oh so dependent on each other and islands no more.

10. Teach, preach, model, implant, and course immaculately, driving in the values which stem from/to Me. I love you.
The courses come. All comes. All comes. All are there.
All I've given you. Question not. Arrived are.
Amen. Hallelujah. Hallel to Hallel.

11. There is no beginning and no end in Me. See what I am/have saying/said.

Go in peace. Revel in joy upon My bed of blessing with/in smiles and privilege of only Me/us/one, and Barbi My doll. Amen.
Smile.
Peace'd. Loved. Adored.
Exclusively Me, not. Amen.

12. Inclusively yours,

Me
